

Lindsey Novak joined the Association for Accessible Medicines in 2017 as an Administrative Assistant. She supports Christine Simmons, Senior Vice President of Policy and Strategic Alliances; Chris Bowlin, Senior Vice President of Government Affairs; Allen Goldberg, Vice President of Communications; and David Gaugh, Senior Vice President of Sciences and Regulatory Affairs in addition to their respective teams.

Prior to AAM, Lindsey has a history in administrative support and analytics for both government contractors and a non-profit NGO. She received her B.A. in International Affairs from George Mason University.
